2 National Ice Cream Sandwich Day. Count how many bites it takes you to finish an ice cream sandwich!	3	4 Twins Day Festival. If there are five sets of twins, how many people are there?	5	6 Wiggle Your Toes Day! Practice counting your toes. How many toes are there in your whole family?		8 Sneak Some Zucchini Onto Your Neighbor's Porch Night! (But get your parent's permission first.)
	10 Happy Birthday Gilles Roberval. (He developed Roberval Balance.) Can you balance on one foot for one minute?	11	12 Middle Child's Day. If you're a middle child, create a special card for yourself!	13 Kool Aid Day and Left Handers Day! Are you left or right handed? Drink Kool Aid from your opposite hand!	14	15
16		18 Bad Poetry Day Write a haiku about math. Remember, it's 5,7,5.	19 Happy Birthday John Flamsteed (the first English Royal Astronomer). Find the Big Dipper through your telescope!	20 National Radio Day. Turn off the TV and listen to a kids' radio show.	21	22 Create a summer collection! Find rocks, shells, leaves, or other objects you like. Find ways to categorize them.
23/30 Happy Birthday Philip Emeagwali (co-inventor of the super computer)! Play an educational computer game!		25 Happy Birthday Philippe van Lansberge! (He calculated π to 28 places.) Eat a slice of pie in his honor!	26 National Cherry Popsicle Day. Create a house out of popsicle sticks!	27		29
