

March

This month, we have a lot to celebrate! Not only is it Women's History Month, where we get to celebrate all the amazing achievements women have contributed, but we also have Pi day – a Mathematician's favorite day!

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
4 National Pound Cake Day. The traditional recipe for pound cake calls for 1 pound each of flour, butter, eggs and sugar! How many pounds would your cake be if you combined all those ingredients?	5	6 National Dentist's Day. A normal adult mouth has 32 teeth. How many teeth do you have?	7 National Cereal Day. It's National Cereal Day! Celebrate with a bowl of healthy cereal to start your morning.	8 International Women's Day. It's International Women's Day! Who is a woman you look up to?	9	10
11 Daylight Savings Time. It's time to change those clocks! Today you will need to set your clocks forward by one hour.		12	14 Pi Day. Today is most mathematicians' favorite day, and a day for us to celebrate math! The symbol Pi (π) is often rounded to 3.14, but has over one trillion digits beyond its decimal point!		16	17 St. Patrick's Day. On St. Patrick's Day, most people wear green, and try to look for lucky four leaf clovers!
	18		19 National Certified Nurses Day. Today we celebrate certified nurses who are dedicated to helping others and working long hours.	20 Spring begins. Today is the first day of spring! This means for most places there will be about 12 hours of sunlight!		21
22	23	24	25	26 Sandra Day O'Connor's Birthday. Sandra Day O'Connor's was the first woman appointed to the U.S Supreme Court, and served for 24 years.		27 National Education and Sharing Day. Established in 1978, Education and Sharing Day marks a day we all remember the value of education on our society. Thank your teachers today!
28 National Little Red Wagon Day. The iconic little red wagon symbolizes a day that kids can celebrate the power of imagination and making memories. How many wheels does a wagon have?	29	30 National Doctors Day. Doctors work tirelessly to make sure we all stay healthy! How do you plan on helping people in the future?		31 National Crayon Day. Happy Crayon Day! Bring out some crayons and draw a picture to describe how much you love math.
