				1 April Fool's Day. Fool your friends by telling them the number three isn't a prime number!	2 National Peanut Butter and Jelly Day. It's peanut butter - jelly time! Eat 3 PB&J sandwiches today!	3
4 Easter Sunday. How many hidden Easter eggs can you find today!	5 Major League Baseball (MLB) Opening Day. If 26 teams start their season today, how many games are scheduled?	6	7 No Housework Day. Give the dishes a rest and enjoy some DreamBox Learning!	8	9 Charles-Eugène Delaunay's Birthday. Delaunay studied lunar motion in relation to the Earth and the Sun.	10 National Siblings Day. Help your brother or sister with their math homework!
						
11 National Submarine Day. Go underwater in a boat. Or eat a really big hoagie.	12 Big Wind Day. An anemometer measures wind. 20 anemometer spins in 1 minute equals 1 mile an hour.	13 Scrabble Day. Spell out QUARTZY across two double-word-score squares, and you could earn up to 165 points.	14	15 Rubber Eraser Day. Joseph Priestley discovered the eraser when he used a Brazilian vegetable gum to rub out pencil marks.	16 National Librarian Day. Visit the library and check out Math Curse by Jon Scieszka. Tell your librarian "thanks!"	17 Kiyoshi Oka's Birthday. He solved complex problems including his work on the first 2 cousin problems in 1929.
						
18		20 Volunteer Recognition Day. Give back by volunteering your time in a group that assists people, animals and/or nature.	21	22 Earth Day. Think green! Plant a tree and/or pick up 17 pieces of garbage in your neighborhood.	23	24 Astronomy Day. Find Mars using a telescope. This spring, Mars will be 10 arcseconds in diameter—that's small!
						
25 World Penguin Day. What are the differences between a King Penguin and an Emperor Penguin?	26 Richter Scale Day. In an earthquake it measures waves in the ground—a magnitude 8 equals detonating 8 tons of TNT!	27 Babe Ruth Day. In 1947, every MLB team honored him for his 714 career home runs and .342 lifetime batting average.	28 Great Poetry Reading Day. Find rhyming math fun in <i>A Light in the Attic</i> by Shel Silverstein.	29	30
